## 1 Purpose

In accordance with Standard 7 of the National Code 2018 there are strict guidelines for the transfer of international students FROM and TO the Institute before a student has completed six (6) calendar months of study in their principal course. The purpose of this policy is to ensure that Sunraysia Institute of TAFE is compliant with the Education Services for Overseas Students Act 2000 regarding international students transferring to the Institute and requesting transfers from the Institute to other providers.

### 3.1 International Students transferring TO the Institute.

3.1.1.2 The releasing registered provider has ceased to be registered; or

3.1.1.3 The course in which the student was enrolled has ceased to be registered; or

3.1.1.5 The student is government sponsored and that government sponsor provides written support for the change as it considers the change to be in the student's best interest.
